Read:-

Letter No. 1561 /Muz.69 dated 18th September 1905, from the Comptroller to the Government of H.H.the Maharaja of Mysore:

" With reference to Govt. Pro. No. 1109-10/Muz.of 28-8-05 sanctioning a measurement Bill for Rs.90-12-8 for repairing the kitchen of the Sri Prasanna Venkataramanaswamy temple in the Mysore City and directing the Amildar to withdraw the amount from the sum of Rs. 107-14-1 said to have been deposited in the Govt. Savings Bank, I have the honor to state that whenever estimates are sanctioned for any work to be met out of the funds deposited in the Government Savings Bank, the Deputy Commissioner should in the first instance be instructed to withdraw the estimated cost from the Savings Bank and credit it to the funds of the institution under the management of Govt.Officers(permanent or temporary as the case may be) and to send the measurement Bills for preaudit to this Office with the credit certificate duly attested by the District Treasury Officer.

2. The above suggestions will facilitate the audit work regularly and systematically."
